

Datasheet: 0016-0104

BATCH NUMBER 174597

Description:	SHEEP ANTI ACETAMINOPHEN
Specificity:	ACETAMINOPHEN
Other names:	PARACETAMOL
Format:	Serum
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	0.5 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Immunohistology - Paraffin	▪			
Western Blotting		▪		
Immunoassay	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

Target Species	Chemical
Product Form	Serum - liquid
Preservative Stabilisers	<0.1% Sodium Azide (NaN ₃)
Immunogen	P-Aminophenol hemisuccinide conjugated to keyhole limpet hemocyanin.
RRID	AB_619644

Specificity **Sheep anti acetaminophen antibody** recognizes acetaminophen, a commonly used analgesic and antipyretic.

Sheep anti acetaminophen antibody is suitable for use in polarization fluoroimmunoassays

([Coxon et al. 1988](#)). Sheep anti acetaminophen antibody has also been used successfully for the demonstration of bound acetaminophen adducts in the liver of mice by immunohistochemistry on formalin fixed, paraffin embedded tissue sections ([Scheiermann et al. 2013](#)).

Storage

This product is shipped at ambient temperature. It is recommended to aliquot and store at -20°C on receipt. When thawed, aliquot the sample as needed. Keep aliquots at 2-8°C for short term use (up to 4 weeks) and store the remaining aliquots at -20°C.

Avoid repeated freezing and thawing as this may denature the antibody. Storage in frost-free freezers is not recommended.

Guarantee

12 months from date of despatch

Health And Safety Information

Material Safety Datasheet documentation #10081 available at: <https://www.bio-rad-antibodies.com/SDS/0016-0104>
