

Datasheet: 102005

BATCH NUMBER 156301

Description:	GOAT ANTI MOUSE IgM:HRP
Specificity:	IgM
Format:	HRP
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	1 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Immunohistology - Frozen	•			
Immunohistology - Paraffin				
ELISA	-			1/4,000 - 1/8,000
Western Blotting				
Immunoblotting	•			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Mouse
Product Form	Purified Ig conjugated to Horseradish Peroxidase (HRP) - liquid
Antiserum Preparatio	n Purified Ig prepared by affinity chromatography on IgM covalently linked to agarose
Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	50% Glycerol
Immunogen	Mouse IgM paraproteins
External Database Links	UniProt:

RRID	AB_619903		
Specificity	Goat anti mouse IgM antibody recognises the heavy chain of mouse IgM as demonstrated by ELISA and flow cytometry. Minimal cross reactivity is observed with human immunoglobulins.		
	Goat anti mouse IgM antibody has been cross absorbed against Mouse Ig G_1 , Ig G_{2a} , Ig G_{2b} , Ig G_3 and IgA, pooled human sera and purified human paraproteins.

Storage	Store at -20°C only. Storage in frost-free freezers is not recommended. This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.		
Guarantee	Guaranteed until date of expiry. Please see product label.		
Health And Safety Information	Material Safety Datasheet documentation #10106 available at: https://www.bio-rad-antibodies.com/SDS/102005 10106		
Regulatory	For research purposes only
