

Datasheet: 102009

BATCH NUMBER 157226

Description:	GOAT ANTI MOUSE IgM:RPE
Specificity:	IgM
Format:	RPE
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	0.5 mg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Flow Cytometry				

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Mouse		
Product Form	Purified Ig conjugated to R. Phycoerythrin (RPE) - liquid		
Max Ex/Em	Fluorophore	Excitation Max (nm)	Emission Max (nm)
	RPE 488nm laser	496	578

Antiserum Preparation Purified Ig prepared by affinity chromatography on IgM covalently linked to agarose

Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	0.1% Sodium azide Stabilizing agent
Approx. Protein Concentrations	Ig concentration 0.5 mg/ml
Immunogen	Mouse IgM paraproteins

RRID	AB_616863
Specificity	Goat anti mouse IgM antibody recognises the heavy chain of mouse IgM as demonstrated by ELISA and flow cytometry. Minimal cross reactivity is observed with human immunoglobulins.
	Goat anti mouse IgM antibody has been cross absorbed against Mouse IgG_1 , IgG_{2a} , IgG_{2b} , IgG_3 and IgA , pooled human sera and purified human paraproteins.

	immunological indicators affect stayability in rabbit females. <u>Animal.: 1-10.</u>
Storage	Store at +4°C. DO NOT FREEZE.
	This product should be stored undiluted. Avoid repeated freezing and thawing as this may
	denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.
