### Datasheet: 1750-5507

**Description:** RABBIT ANTI CANDIDA ALBICANS

**Specificity:** CANDIDA ALBICANS TYPE A

**Format:** Purified

**Product Type:** Polyclonal Antibody

**Isotype:** Polyclonal IgG

**Quantity:** 1 ml

**Applications**

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

**Target Species**

Yeast

**Species Cross Reactivity**

Does not react with: Human

**Product Form**

Ig fraction - liquid

**Buffer Solution**

Phosphate buffered saline

**Preservative Stabilisers**

0.1% Sodium Azide (NaN₃)

**Approx. Protein Concentrations**

4.0 mg/ml

**Immunogen**

*Candida albicans*, type A

**Specificity**

Rabbit anti *Candida albicans* Type A antibody reacts with numerous proteins in a soluble *C. albicans* extract in immunoelectrophoresis.

*Candida albicans* is the most frequently isolated fungal pathogen of humans. It principally infects the skin and mucosal surfaces causing candidiasis or thrush.
Rabbit anti *Candida albicans* Type A antibody has not been absorbed and cross reacts with other yeasts.

### References

### Storage

Store at +4°C or at -20°C if preferred.

Storage in frost-free freezers is not recommended.

This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.

### Guarantee

18 months from date of despatch.

### Health And Safety Information

### Regulatory

For research purposes only
