

Datasheet: 1990-2809

BATCH NUMBER 149917

Description:	MOUSE ANTI CHLAMYDIA TRACHOMATIS LPS
Specificity:	CHLAMYDIA TRACHOMATIS LPS
Format:	Purified
Product Type:	Monoclonal Antibody
Clone:	1312/236
Isotype:	IgG1
Quantity:	0.2 mg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			
Western Blotting	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

Target Species	Bacterial
Product Form	Purified IgG - liquid
Preparation	Purified IgG prepared by affinity chromatography on Protein A
Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	0.09% Sodium Azide (NaN ₃)
Carrier Free	Yes
Approx. Protein Concentrations	IgG concentration 1.0 mg/ml
Immunogen	Native.

RRID	AB_618921
Specificity	Mouse anti Chlamydia trachomatis LPS, clone 1312/236 recognizes C. trachomatis lipopolysaccharide. In a simple ELISA this antibody is reactive with 15 serovars of C. trachomatis. The epitope has been shown by Western blotting to be present in LPS.

Storage	<p>Store at +4°C or at -20°C if preferred.</p> <p>Storage in frost-free freezers is not recommended.</p> <p>This product should be stored undiluted.</p> <p>Avoid repeated freezing and thawing as this may denature the antibody.</p> <p>Should this product contain a precipitate we recommend microcentrifugation before use.</p>
Guarantee	12 months from date of despatch
Health And Safety Information	Material Safety Datasheet documentation #10040 available at: https://www.bio-rad-antibodies.com/SDS/1990-2809 10040
Regulatory	For research purposes only
