

## Datasheet: 2090-1536 BATCH NUMBER 162796

| Description:  | SHEEP ANTI hCG BETA |
|---------------|---------------------|
| Specificity:  | hCG BETA            |
| Format:       | Purified            |
| Product Type: | Polyclonal Antibody |
| lsotype:      | Polyclonal IgG      |
| Quantity:     | 0.1 mg              |
|               |                     |

## **Product Details**

| Applications                      | This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further |                                 |                    |                          |                      |  |  |  |

| Specificity                      | <ul> <li>Sheep anti hCG beta antibody recognizes the beta subunit of human chorionic gonadotrophin (hCG) and recognizes both the free subunit and the whole molecule. Negligible reactivity has been observed with hLH, hTSH and hFSH.</li> <li>Human chorionic gonadotrophin is a peptide hormone produced by placental syncytiotrophoblasts. It acts to maintain the <i>corpus luteum</i> until the developing placenta is able to produce the required levels of oestrogen and progesterone.</li> <li>hCG shares a common alpha chain with the pituitary hormones FSH, TSH and LH, but</li> </ul> |  |  |  |
|                                  | has a unique beta chain which is recognised by this antibody.  |  |  |  |
| Storage                          | This product is shipped at ambient temperature. It is recommended to aliquot and store at -20°C on receipt. When thawed, aliquot the sample as needed. Keep aliquots at 2-8°C for short term use (up to 4 weeks) and store the remaining aliquots at -20°C.  |  |  |  |
|                                  | Avoid repeated freezing and thawing as this may denature the antibody. Storage in frost-free freezers is not recommended.  |  |  |  |
| Guarantee                        | 12 months from date of despatch  |  |  |  |
