

Datasheet: 2150-2305

BATCH NUMBER 160721

Description:	RABBIT ANTI BOVINE COLLAGEN I/III
Specificity:	COLLAGEN I/III
Format:	Purified
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	0.5 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			1/2,000 - 1/8,000
Immunofluorescence	▪			1/10 - 1/40

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

Target Species	Bovine
Product Form	Purified IgG - lyophilised
Reconstitution	Use 500 µl sterile distilled water or saline.
Preparation	Affinity chromatography on immobilized collagen I and III
Buffer Solution	Phosphate/borate buffered saline
Preservative	1% Dextran
Stabilisers	1% Mannitol
Immunogen	Bovine collagen type I and III from skin.

RRID AB_616926

Specificity **Rabbit anti Bovine collagen I/III antibody** reacts with both Collagen I and III. Less than 0.5% reactivity was observed with bovine albumin and immunoglobulins.

Collagen is located in the extracellular matrix of connective tissues. It is part of the interacting network of proteoglycans and proteins that provides a structural framework for both soft and calcified connective tissues.

Storage Prior to reconstitution store at +4°C.
After reconstitution store at -20°C.
Storage in frost-free freezers is not recommended. Avoid repeated freezing and thawing as this may denature the antibody.

Guarantee 12 months from date of reconstitution.
