

Datasheet: 2150-2506

BATCH NUMBER 168016

Description:	NATIVE MOUSE COLLAGEN I/III
Name:	COLLAGEN I/III
Format:	Purified
Product Type:	Purified Protein
Quantity:	10 mg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Mouse
Product Form	Purified protein from murine tail tendons - lyophilized
Reconstitution	Use 0.05-0.5 M acetic acid, pH 2.5 at 4°C. Dissolved collagen retains immunologic properties of native collagen types I+III. Thermal denaturation converts dissolved collagen to gelatin.
Preparation	Pepsin treatment, acetic acid extraction, serial salt precipitations
Buffer Solution	Essentially salt free
Preservative Stabilisers	None present

Cola1, Cola2

Product Information

Murine collagen type I 45%
Murine collagen type III 45%
Murine collagen type IV 10%
Murine collagen type V <1%
Non-collagenous proteins <0.5%
M[a1(I)1a2(I)2]. Native triple helix.

Protein Molecular Weight

300 kDa

Purity

Purity and retention of native helical structure was controlled by SDS-PAGE, ORD measurement and ability to form microfibrils.

References

Storage

Prior to reconstitution store at +4°C.
After reconstitution store at -20°C.
Storage in frost-free freezers is not recommended. This product should be stored undiluted.
Avoid repeated freezing and thawing as this may denature the antibody.
Should this product contain a precipitate we recommend microcentrifugation before use.

Guarantee

Guaranteed until date of expiry. Please see product label.
