

Datasheet: 5184-2504

BATCH NUMBER 152193

Description:	RABBIT ANTI SHEEP IgG (H/L):HRP
Specificity:	IgG (H/L)
Format:	HRP
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	2 mg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Immunohistology - Frozen	▪			1/500 - 1/2500
ELISA	▪			1/8000 - 1/40000
Western Blotting	▪			1/1000 - 1/5000

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using the appropriate negative/positive controls.

Target Species

Sheep

Product Form

Purified IgG conjugated to Horseradish Peroxidase (HRP) - lyophilised

Reconstitution

Reconstitute with 1ml of sterile distilled water. For extended storage use 50% glycerol instead of water.

Antiserum Preparation

Antiserum to sheep IgG was raised by repeated immunisation of rabbits with highly purified antigen. Purified IgG was prepared from whole serum by affinity chromatography.

Buffer Solution

Phosphate buffered saline

Preservative Stabilisers

0.01% Gentamicin Sulfate
1% Bovine Serum Albumin

Immunogen

Sheep IgG whole molecule.

RRID AB_619905

Specificity Rabbit anti Sheep IgG antibody recognizes both the light and heavy chains of sheep IgG.

Storage Prior to reconstitution store at +4°C.
After reconstitution store at +4°C or at -20°C if preferred.
Storage in frost-free freezers is not recommended. This product should be stored undiluted.
Avoid repeated freezing and thawing as this may denature the antibody.
Should this product contain a precipitate we recommend microcentrifugation before use.

Guarantee 12 months from date of despatch
