## Datasheet: 5329-3806 BATCH NUMBER 148050

| Description:  | MOUSE ANTI HUMAN INSULIN |  |  |
|---------------|--------------------------|--|--|
| Specificity:  | INSULIN                  |  |  |
| Format:       | Purified                 |  |  |
| Product Type: | Monoclonal Antibody      |  |  |
| Clone:        | 7F8 (E6E5)               |  |  |
| lsotype:      | lgG1                     |  |  |
| Quantity:     | 0.2 mg                   |  |  |
|               |                          |  |  |

## **Product Details**

| Applications                | This product has been reported to work in the following applications. This information  |            |             |                |                     |  |
|-----------------------------|---|------------|-------------|----------------|---------------------|--|
|                             | derived from testing within our laboratories, peer-reviewed publications or personal  |            |             |                |                     |  |
