

Datasheet: 740605

**BATCH NUMBER 160631**

<b>Description:</b>	RECOMBINANT PROTEIN G:HRP
<b>Name:</b>	PROTEIN G
<b>Format:</b>	HRP
<b>Product Type:</b>	Recombinant Protein
<b>Quantity:</b>	1 ml

## Product Details

### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			1/4000 - 1/8000

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

<b>Target Species</b>	Bacterial
<b>Product Form</b>	Recombinant protein - conjugated to Horseradish Peroxidase (HRP) - liquid
<b>Preparation</b>	Recombinant protein G from <i>Streptococcus</i> strain G148, expressed in <i>E. coli</i> .
<b>Buffer Solution</b>	Phosphate buffered saline
<b>Preservative Stabilisers</b>	50% Glycerol

**Product Information** **Recombinant Protein G** is a preparation of streptococcal protein G expressed in *E. coli*. Protein G binds to the Fc portion of immunoglobulin G subclasses (IgGs) from a broad range of species including human and mouse, and does not bind IgA, IgE, IgM or serum albumin.

**Protein Molecular Weight** 22 kDa (monomeric protein lacking cystine residues)

---

<b>Storage</b>	Store at -20°C only. Storage in frost-free freezers is not recommended. This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.
<b>Guarantee</b>	Guaranteed until date of expiry. Please see product label.
<b>Health And Safety Information</b>	Material Safety Datasheet documentation #10260 available at: <a href="https://www.bio-rad-antibodies.com/SDS/740605">https://www.bio-rad-antibodies.com/SDS/740605</a> 10260
<b>Regulatory</b>	For research purposes only
