Datasheet: AAI40AB

**Description:** GOAT ANTI PIG IgA:Alk. Phos.

**Specificity:** IgA

**Format:** Alk. Phos.

**Product Type:** Polyclonal Antibody

**Isotype:** Polyclonal IgG

**Quantity:** 0.5 mg

---

**Applications**

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

Where this antibody has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the antibody for use in their own system using the appropriate negative/positive controls.

**Target Species**

Pig

**Product Form**

Purified IgG conjugated to Alkaline Phosphatase - liquid

**Antiserum Preparation**

Antisera to porcine IgA were raised by repeated immunisation of goat with highly purified antigen. Purified IgG prepared by affinity chromatography.

**Buffer Solution**

- 50mM HEPES
- 0.1M NaCl
- 1mM MgCl$_2$
- 0.1mM ZnCl$_2$

**Preservative Stabilisers**

- 0.09% Sodium Azide
- 0.2% Bovine Serum Albumin

**Approx. Protein Concentrations**

IgG concentration 0.5mg/ml

**Immunogen**

Purified porcine IgA.
**Specificity**

**Goat anti pig IgA antibody** recognizes porcine IgA and shows no cross-reactivity with other porcine immunoglobulin classes as assessed by immunoelectrophoresis. This antibody may cross-react with IgA from other species.

Goat anti Porcine IgA antibody has been successfully used for the evaluation of porcine IgA levels in body fluids of pigs by both ELISA and Western blotting.

**References**

**Storage**

Store at +4°C. DO NOT FREEZE.
This product should be stored undiluted. Should this product contain a precipitate we recommend microcentrifugation before use.

**Guarantee**

12 months from date of despatch.

**Health And Safety Information**

Material Safety Datasheet documentation #10089 available at:

**Regulatory**

For research purposes only
