

Datasheet: AHP031F

BATCH NUMBER 151884

Description:	SHEEP ANTI HUMAN C3c:FITC
Specificity:	C3c
Other names:	COMPLEMENT COMPONENT 3c
Format:	FITC
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	1 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Flow Cytometry			▪	
Immunohistology - Frozen	▪			1/50 - 1/100
Immunohistology - Paraffin			▪	

Where this antibody has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the antibody for use in their own system using appropriate negative/positive controls.

Target Species	Human		
Product Form	Purified IgG conjugated to Fluorescein Isothiocyanate Isomer 1 (FITC) - liquid		
Max Ex/Em	Fluorophore	Excitation Max (nm)	Emission Max (nm)
	FITC	490	525

Antiserum Preparation Antisera to human C3c were raised by repeated immunisation of sheep with highly purified antigen. Purified IgG was prepared by ion exchange chromatography.

Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	0.099% Sodium Azide
Approx. Protein	IgG concentration 10 mg/ml

Concentrations

Immunogen Human C3 purified from serum.

Synonyms CPAMD1

RRID AB_321213

Specificity **Sheep anti Human C3c antibody** recognizes the C3c component of human complement, formed as a result of the inactivation of C3b. Sheep anti Human C3c antibody may be used for the detection of C3 deposits in tissues following complement activation.

Histology Positive Control Tissue

Human skin

Storage

Store at +4°C or at -20°C if preferred.

This product should be stored undiluted.

Storage in frost free freezers is not recommended. This product is photosensitive and should be protected from light.

Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.

Guarantee 12 months from date of despatch
