

Datasheet: AHP1761

BATCH NUMBER 160427

Description:	GOAT ANTI HUMAN IgE
Specificity:	IgE
Format:	Serum
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	1 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Turbidimetry	■			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Human
-----------------------	-------

Product Form	Serum - liquid
---------------------	----------------

Antiserum Preparation Antisera to Human IgE were raised by repeated immunisation of goats with highly purified antigen

Buffer Solution	TRIS buffered saline
------------------------	----------------------

Preservative Stabilisers	0.1% Sodium Azide (NaN ₃)
---------------------------------	---------------------------------------

Immunogen	Purified human IgE
------------------	--------------------

Specificity	<p>Goat anti human IgE antibody recognizes human IgE, the least abundant immunoglobulin class, and found only in mammals.</p> <p>IgE plays an important role in allergic responses, particularly type 1 hypersensitivity. It is also implicated in immune responses to parasitic worms such as <i>Schistosoma</i>, <i>Trichinella</i> and <i>Fasciola</i> species and with protozoan parasites such as <i>Plasmodium falciparum</i>.</p> <p>Goat anti human IgE antibody is available in bulk quantities and may be made available in other formats. Please enquire for further details.</p>
