

Datasheet: BUF068A

BATCH NUMBER 171663

Description:	AbGUARD® ANTIBODY BOOST
Name:	ANTIBODY DILUENT
Format:	Ready To Use
Product Type:	Accessory Reagent
Quantity:	100 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			
Immunoassay	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Product Form	Ready to use - liquid
---------------------	-----------------------

Preservative Stabilisers	None present
---------------------------------	--------------

Intended Use	<p>AbGUARD ANTIBODY BOOST can be used to dilute concentrated or conjugated antibodies. It may be used for polyclonal or monoclonals antibodies.</p> <p>AbGUARD ANTIBODY BOOST amplifies the specific antibody activity up to 50-100%, with no increase in non-specific binding. For best results Bio-Rad recommends the use of our TMB substrate range.</p> <p>Please note - this product cannot be used for the dilution of anti-rabbit immunoglobulins e.g. Goat anti-Rabbit Ig, etc.</p>
---------------------	---

Instructions For Use	<p>Use a series of dilutions to determine the optimal dilution factor for individual antibodies or antibody conjugates prior to use.</p> <p>Once the optimal dilution factor has been determined, dilute the antibody and run the assay as normal.</p>
-----------------------------	--

Storage	This product is shipped at ambient temperature.
----------------	---

Store at +4°C.
DO NOT FREEZE.
Avoid direct exposure to light.

Guarantee	Guaranteed until date of expiry. Please see product label.
Health And Safety Information	Material Safety Datasheet documentation #10502 available at: https://www.bio-rad-antibodies.com/SDS/BUF068A
Regulatory	For research purposes only
