

Datasheet: C11SDZ

Description:	MOUSE SERUM:Preservative Free
Name:	MOUSE SERUM
Format:	Preservative Free
Product Type:	Serum
Quantity:	100 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Immunohistology - Frozen	▪			
Immunohistology - Paraffin	▪			
Immunoassay	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Product Form

Whole serum - liquid

Preparation

Normal mouse serum, 0.2um filtered. Prepared from barrier mice which are screened for infectious agents.

Preservative Stabilisers

None present
