

# Datasheet: HCA240 BATCH NUMBER 1610

Description:	HUMAN ANTI GOLIMUMAB
Specificity:	GOLIMUMAB
Other names:	SIMPONI
Format:	Purified
Product Type:	Monoclonal Antibody
Clone:	AbD20710
Isotype:	HuCAL Fab monovalent
Quantity:	0.1 mg

### **Product Details**

Ann	licati	ione
Appl	ıcatı	OHS

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <a href="www.bio-rad-antibodies.com/protocols">www.bio-rad-antibodies.com/protocols</a>.

	Yes	No	Not Determined	Suggested Dilution
ELISA				

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

### **Product Form**

A monovalent human recombinant Fab (kappa light chain) selected from the HuCAL® phage display library, expressed in *E. coli*. The antibody is tagged with a DYKDDDK tag and a HIS-tag (HHHHHH) at the C-terminus of the antibody heavy chain. This antibody is supplied as a liquid.

Preparation	Metal chelate affinity chromatography
Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	0.01% Thiomersal
Approx. Protein Concentrations	Antibody concentration 0.5 mg/ml
Immunogen	Golimumab.

Specificity	Human anti golimumab antibody, clone AbD20710 is a Type 1 anti-idiotypic antibody that specifically recognizes free golimumab but not the drug/tumor necrosis factor alpha (TNF $\alpha$ ) complex. Clone AbD20710 inhibits the binding of golimumab to TNF $\alpha$ and can be used to measure free golimumab levels in serum from patients, or for pharmacokinetic (PK) assay development.
	An affinity matured variant of HCA240 is available with about 2-fold affinity improvement, clone AbD25429 ( <u>HCA286</u> ).
	Golimumab, marketed under the brand name Simponi, is a recombinant human $IgG1/kappa$ monoclonal antibody approved for the treatment of rheumatoid arthritis, psoriatic arthritis and ankylosing spondylitis. This therapeutic antibody, directed against $TNF\alpha$ , acts by blocking the binding of $TNF\alpha$ to its receptors, resulting in a down-regulation of the inflammatory response associated with autoimmune diseases.
	View a summary of all anti-golimumab antibodies
Affinity	The monovalent intrinsic affinity of AbD20710 was measured as $K_D$ = 2.3 nM by real time, label free molecular interaction analysis on immobilized golimumab.
Storage	Store at +4°C or at -20°C if preferred.  Storage in frost-free freezers is not recommended.  This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.
Guarantee	12 months from date of despatch
Acknowledgements	Sold under license of U.S. Patents 6753136, 7785859 and 8273688 and corresponding patents. This antibody was developed by Bio-Rad, Zeppelinstr. 4, 82178 Puchheim, Germany. Simponi is a registered trademark of Janssen Biotech, Inc. in the USA and Merck & Co, Inc. in Europe.  His-tag is a registered trademark of EMD Biosciences.
Health And Safety Information	Material Safety Datasheet documentation #10094 available at: <a href="https://www.bio-rad-antibodies.com/SDS/HCA240">https://www.bio-rad-antibodies.com/SDS/HCA240</a> 10094
Licensed Use	For in vitro research purposes and for commercial applications for the provision of in vitro testing services to support preclinical and clinical drug development. Any re-sale in any form or any other commercial application needs a written agreement with Bio-Rad.
Regulatory	For research purposes only
Technical Advice	Recommended protocols and further information about HuCAL recombinant antibody technology can be found in the <u>HuCAL Antibodies Technical Manual</u>
