**Datasheet: MCA2570**

**Product Details**

**Description:** MOUSE ANTI GIARDIA LAMBLIA

**Specificity:** GIARDIA LAMBLIA

**Format:** Purified

**Product Type:** Monoclonal Antibody

**Clone:** 6231

**Isotype:** IgG1

**Quantity:** 0.1 mg

**Applications**

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

**Target Species**

Protozoan

**Product Form**

Purified IgG - liquid

**Preparation**

Purified IgG prepared by affinity chromatography on Protein A

**Buffer Solution**

Phosphate buffered saline

**Preservative Stabilisers**

0.09% Sodium Azide (NaN₃)

**Approx. Protein Concentrations**

IgG concentration 0.1mg/ml

**Immunogen**

65 kDa Giardia antigen.

**Specificity**

Mouse anti Giardia lamblia antibody, clone 6231 recognizes Giardia lamblia, a flagellated protozoan parasite which infects the small intestines of humans and a variety of other mammalian
hosts. Infection by *G. lamblia* results in giardiasis; a type of gastroenteritis that causes severe diarrhea and abdominal cramps. It has been suggested that chronic giardiasis can result in long-term growth retardation (*Simsek et al.* 2004).

**Western Blotting**

MCA2570 detects a band of approximately 65kDa.

**Further Reading**

**Storage**

Store at +4°C or at -20°C if preferred.

Storage in frost-free freezers is not recommended.

This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.

**Shelf Life**

18 months from date of despatch.

**Health And Safety Information**

Material Safety Datasheet documentation #10040 available at:

**Regulatory**

For research purposes only
