

Datasheet: MCA5729G

BATCH NUMBER 155196

Description:	MOUSE ANTI AMIKACIN
Specificity:	AMIKACIN
Format:	Purified
Product Type:	Monoclonal Antibody
Clone:	AM1
Isotype:	IgG1
Quantity:	1 mg

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			
Immunoassay	▪			

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Chemical
Product Form	Purified IgG - liquid
Preparation	Purified IgG prepared by affinity chromatography on Protein A
Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	0.09% Sodium Azide (NaN ₃)
Approx. Protein Concentrations	IgG concentration 1.0mg/ml
RRID	AB_10851826

Specificity **Mouse anti Amikacin antibody, clone AM1** recognizes Amikacin, an aminoglycoside

antibiotic. Amikacin binds to the 30S ribosomal subunit of microbial RNA, disrupting mRNA reading and protein synthesis. It may be used to treat severe infection with multiple drug resistant Gram negative bacteria such as *Enterobacter*. Potential side effects include kidney damage and hearing loss.

Intended Use	Bio-Rad recommends that the user determines this product's suitability for any particular application.

Storage	Store at +4°C or at -20°C if preferred. Storage in frost-free freezers is not recommended. This product should be stored undiluted. Avoid repeated freezing and thawing as this may denature the antibody. Should this product contain a precipitate we recommend microcentrifugation before use.
Guarantee	12 months from date of despatch
Health And Safety Information	Material Safety Datasheet documentation #10040 available at: https://www.bio-rad-antibodies.com/SDS/MCA5729G 10040
Regulatory	For research purposes only
