

Datasheet: MCA740EL BATCH NUMBER 156095

Description:	MOUSE ANTI HUMAN CD42b:Low Endotoxin
Specificity:	CD42b
Other names:	GPIB-ALPHA
Format:	Low Endotoxin
Product Type:	Monoclonal Antibody
i loddol i jpol	Monooloniai / Milbody
Clone:	AK2
	•

Product Details

Applications	This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <u>www.bio-rad-antibodies.com/protocols</u> .					
		Yes	No	Not Determined	Suggested Dilution	
	Flow Cytometry	•			1/50 - 1/100	
	ELISA	-				
	Immunoprecipitation	-				
	Functional Assays	•				
Target Species	Where this antibody has necessarily exclude its u as a guide only. It is reco own system using appro Human	se in sucl ommende	h procedu d that the	res. The suggested wo user titrates the antibo	orking dilution is given	
Product Form	Purified IgG - liquid					
Preparation	Purified IgG prepared by supernatant	affinity c	hromatogi	aphy on Protein A fror	n tissue culture	
Buffer Solution	Phosphate buffered salir	ne				
Preservative Stabilisers	None present					
Carrier Free	Yes					

Endotoxin Level	< 0.01 EU/ug
Approx. Protein Concentrations	IgG concentration 1 mg/ml

RRID	AB_2232663
Specificity	Mouse anti Human CD42b antibody, clone AK2 recognizes the human CD42b cell surface antigen, also known as platelet glycoprotein GP1B.
	CD42b is expressed by platelets and megakaryocytes. Clone AK2 has been reported to block the binding of von Willebrand Factor (VWF) to platelets.
Flow Cytometry	Use 10ul of the suggested working dilution to label 100ul whole blood.

Storage	Store at -20°C.			
	Storage in frost free freezers is not recommended. Avoid repeated freezing and thawing			
	as this may denature the antibody. Should this product contain a precipitate we			
	recommend microcentrifugation before use.			
Guarantee	12 months from date of despatch
