

## Datasheet: OBT0986B BATCH NUMBER 165100

Description:	GOAT ANTI ESCHERICHIA COLI:Biotin
Specificity:	ESCHERICHIA COLI
Format:	Biotin
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	1 ml

## **Product Details**

Applications	This product has been report derived from testing within communications from the or information. For general pro- rad-antibodies.com/protoco	our labor originators otocol ree	atories, pe s. Please i	eer-reviewed public refer to references	cations or personal indicated for further
	ELISA	Yes	No	Not Determined	Suggested Dilution
	Where this product has not necessarily exclude its use a guide only. It is recomme system using appropriate n	in such∣ nded tha	procedure t the user	s. Suggested work titrates the produc	ing dilutions are given as
Target Species	Bacterial				
Product Form	Purified IgG conjugated to	Biotin - li	quid		
Buffer Solution	Phosphate buffered saline				
Preservative Stabilisers	0.1% Sodium azide				
Approx. Protein Concentrations	Protein Concentration 5.0 r	mg/ml			
Immunogen	A mixture of Escherichia co	oli seroty	oes.		
RRID	AB_616737				
Specificity	<b>Goat anti <i>Escherichia col</i></b> <i>Escherichia coli</i> . Goat anti related Enterobacteriaceae	Escheric		-	• •
