

## Datasheet: PPP012

**BATCH NUMBER 153700**

|                      |                  |
|----------------------|------------------|
| <b>Description:</b>  | PURIFIED PIG IgG |
| <b>Name:</b>         | IgG              |
| <b>Format:</b>       | Purified         |
| <b>Product Type:</b> | Purified Protein |
| <b>Quantity:</b>     | 10 mg            |

### Product Details

#### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

|       | Yes | No | Not Determined | Suggested Dilution |
|-------|-----|----|----------------|--------------------|
| ELISA | ▪   |    |                |                    |

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

|                                       |  |
|---------------------------------------|--|
| <b>Target Species</b>                 | Pig  |
| <b>Product Form</b>                   | Purified Porcine IgG - liquid                        |
| <b>Preparation</b>                    | Purified IgG prepared by ion exchange chromatography |
| <b>Buffer Solution</b>                | Phosphate buffered saline                            |
| <b>Preservative Stabilisers</b>       | 0.09% Sodium Azide (NaN <sub>3</sub> )               |
| <b>Approx. Protein Concentrations</b> | 1 mg/ml  |
| <b>RRID</b>                           | AB_324788  |

**Product Information** **Purified Porcine IgG** is a preparation of purified polyclonal porcine IgG prepared from normal porcine serum. By immunoelectrophoresis, this product was shown to react with antiserum specific for porcine IgG. No reactivity was observed with porcine IgA or IgM.

|                                      |  |
|--------------------------------------|--|
| <b>Storage</b>                       | Store at +4°C. DO NOT FREEZE.<br>This product should be stored undiluted. Should this product contain a precipitate we recommend microcentrifugation before use.                   |
| <b>Guarantee</b>                     | 12 months from date of despatch  |
