

## Datasheet: PUR007

**BATCH NUMBER 21301**

|                      |  |
|----------------------|--|
| <b>Description:</b>  | PROTEUS PROTEIN A MINI PURIFICATION SPIN COLUMN PACK |
| <b>Name:</b>         | ANTIBODY PURIFICATION KIT PROTEIN A                  |
| <b>Format:</b>       | MINI - Spin Columns                                  |
| <b>Product Type:</b> | Purification Kit                                     |
| <b>Quantity:</b>     | 48 UNITS   |

## Product Details

### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

|                      | Yes | No | Not Determined | Suggested Dilution |
|----------------------|-----|----|----------------|--------------------|
| Protein Purification | ▪   |    |                |                    |

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

|                                 |                  |
|---------------------------------|------------------|
| <b>Preservative Stabilisers</b> | 0.01% Thiomersal |
|---------------------------------|------------------|
