

## Datasheet: PUR014 BATCH NUMBER 210213

PROTEUS PROT	EIN G MI	NI PURIF	ICATION STARTER KIT	•		
ANTIBODY PURI	ANTIBODY PURIFICATION KIT PROTEIN G					
MINI - Spin Columns, Buffers, U/F Spinners						
Purification Kit						
2 UNITS						
This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <u>www.bio-rad-antibodies.com/protocols</u> .						
Protein Purification	-					
Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.
