

## Datasheet: PUR015 BATCH NUMBER 280411

| Description:                | PROTEUS PROT   | EIN G MINI PURIF | ICATION SPIN COLUM | N PACK             |  |  |
|-----------------------------|--|------------------|--------------------|--------------------|--|--|
| Name:                       | ANTIBODY PURIFICATION KIT PROTEIN G  |                  |                    |                    |  |  |
| Format:                     | MINI - Spin Colum  | nns              |                    |                    |  |  |
| Product Type:               | Purification Kit   |                  |                    |                    |  |  |
| Quantity:                   | 48 UNITS   |                  |                    |                    |  |  |
|                             |  |                  |                    |                    |  |  |
| Product Details             |  |                  |                    |                    |  |  |
| Applications                | This product has been reported to work in the following applications. This information is<br>derived from testing within our laboratories, peer-reviewed publications or personal<br>communications from the originators. Please refer to references indicated for further<br>information. For general protocol recommendations, please visit <a href="http://www.bio-&lt;br&gt;rad-antibodies.com/protocols">www.bio-</a><br>rad-antibodies.com/protocols.YesNoNot DeterminedSuggested Dilution |                  |                    |                    |  |  |
