

Datasheet: STAR208P

BATCH NUMBER 172420

Description:	GOAT ANTI RABBIT IgG (H/L):HRP
Specificity:	IgG (H/L)
Format:	HRP
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	2 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
ELISA	▪			
Western Blotting	▪			1/5000 - 1/50,000

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species

Rabbit

Product Form

Purified IgG - lyophilized

Reconstitution

Reconstitute with 2.0 ml distilled water

Care should be taken during reconstitution as the protein may appear as a film at the bottom of the vial. Bio-Rad recommend that the vial is gently mixed after reconstitution.

Antiserum Preparation

Antisera to rabbit IgG (H/L) were raised by repeated immunisation of goats with purified antigen. Purified IgG was prepared from whole serum by affinity chromatography using antigens coupled to agarose beads.

Buffer Solution

Phosphate buffered saline

Preservative Stabilisers

15 mg/ml Bovine Serum Albumin

Approx. Protein

IgG concentration 0.8 mg/ml after reconstitution

Concentrations

Specificity **Goat anti Rabbit IgG (H/L) polyclonal antibody** reacts with the heavy chains of rabbit IgG, and the light chains common to the majority of rabbit immunoglobulins. No antibody reactivity was detected against non-immunoglobulin rabbit serum proteins. This antibody may cross-react with immunoglobulins from other species.
