

Datasheet: STAR208P

Description:	GOAT ANTI RABBIT IgG (H/L):HRP
Specificity:	IgG (H/L)
Format:	HRP
Product Type:	Polyclonal Antibody
Isotype:	Polyclonal IgG
Quantity:	2 ml

Product Details

Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit www.bio-rad-antibodies.com/protocols.

	Yes	No	Not Determined	Suggested Dilution
Western Blotting	▪			1/5000 - 1/50,000

Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Suggested working dilutions are given as a guide only. It is recommended that the user titrates the product for use in their own system using appropriate negative/positive controls.

Target Species	Rabbit
Product Form	Purified IgG - lyophilized
Reconstitution	Reconstitute with 2.0 ml distilled water Care should be taken during reconstitution as the protein may appear as a film at the bottom of the vial. Bio-Rad recommend that the vial is gently mixed after reconstitution.
Antiserum Preparation	Antisera to rabbit IgG (H/L) were raised by repeated immunisation of goats with purified antigen. Purified IgG was prepared from whole serum by affinity chromatography using antigens coupled to agarose beads.
Buffer Solution	Phosphate buffered saline
Preservative Stabilisers	15 mg/ml Bovine Serum Albumin
Approx. Protein Concentrations	IgG concentration 0.8 mg/ml after reconstitution

Specificity **Goat anti Rabbit IgG (H/L) polyclonal antibody** reacts with the heavy chains of rabbit IgG, and the light chains common to the majority of rabbit immunoglobulins. No antibody reactivity was detected against non-immunoglobulin rabbit serum proteins. This antibody may cross-react with immunoglobulins from other species.

Storage Store at +4°C. DO NOT FREEZE.
This product should be stored undiluted.

Guarantee 12 months from date of despatch
