## Datasheet: STAR4010PE BATCH NUMBER 158292

| Description:  | GOAT ANTI RABBIT IgG/IgM:RPE (HUMAN ADSORBED) |  |  |
|---------------|---|--|--|
| Specificity:  | IgG IgM                                       |  |  |
| Format:       | RPE   |  |  |
| Product Type: | Polyclonal Antibody                           |  |  |
| lsotype:      | Polyclonal IgG                                |  |  |
| Quantity:     | 0.5 mg  |  |  |

## **Product Details**

| Applications                | This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <u>www.bio-</u> |   |                             |                    |  |  |  |
