

Datasheet: VMA00002

Description:	MOUSE ANTI CYTOKERATIN 19
Specificity:	CYTOKERATIN 19
Format:	Purified
Product Type:	PrecisionAb Monoclonal
Isotype:	lgG2a
Quantity:	100 µl

Product Details

Applications	This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <u>www.bio-rad-antibodies.com/protocols</u> .

Target Species	Human						
Product Form	Purified IgG - liquid						
Preparation	Mouse monoclonal antibody purified by affinity chromatography on Protein G from tissue culture supernatant						
Buffer Solution	Phosphate buffered saline						
Preservative Stabilisers	0.09% Sodium Azide (NaN ₃)						
Immunogen	Human breast cancer cell line MCF7						
External Database Links	UniProt: <u>P08727</u> <u>Related</u>	l reagents

Specificity	Mouse anti Human cytokeratin 19 antibody recognizes the rod domain (aa 312-335) of human cytokeratin 19 also known as keratin 19 and encoded by the KRT19 gene. Cytokeratin 19 is a 400 amino acid intermediate filament protein lacking a C-terminal tail domain, in contrast to all other intermediate filament proteins.				
	Cytokeratin expression is observed in striated muscle where it is involved in forming the association between the contractile apparatus and dystrophin (<u>Stone <i>et al.</i> 2005</u>). Expression is also seen in many ductal and glandular cells together with a restricted set of normal and neoplastic epithelial cells.				
	Mouse anti Human cytokeratin 19 antibody detects a band of ~44kDa in Western blotting using multiple human cell-line lysates.				
Western Blotting	Anti Cytokeratin 19 antibody detects a band of approximately 44 kDa in MCF7 cell lysates.				
Storage	Store undiluted at -20°C, avoiding repeated freeze thaw cycles.				
Guarantee	12 months from date of despatch				
Acknowledgements	PrecisionAb is a trademark of Bio-Rad Laboratories.				
Health And Safety Information	Material Safety Datasheet documentation #10040 available at: Antibody (10040): <u>https://www.bio-rad-antibodies.com/uploads/MSDS/10040.pdf</u>				
Regulatory	For research purposes only
