# Datasheet: VMA00203 BATCH NUMBER 167116

| Description:  | MOUSE ANTI ALAS1       |
|---------------|------------------------|
| Specificity:  | ALAS1                  |
| Format:       | Purified               |
| Product Type: | PrecisionAb Monoclonal |
| Clone:        | OTI1C5                 |
| lsotype:      | lgG1                   |
| Quantity:     | 100 µl                 |
|               |                        |

# **Product Details**

| Applications    | This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. | Synonyms                          | ALAS3, ALASH   |  |  |  |  |
| Specificity                       | <b>Mouse anti Human ALAS1 antibody, clone OTI1C5</b> recognizes ALAS1, also known as 5-aminolevulinate synthase, nonspecific, mitochondrial, 5-aminolevulinic acid synthase 1, ALAS-H, delta-ALA synthase 1, delta-aminolevulinate synthase 1 and migration-inducing protein 4.  |  |  |  |  |
|                                   | The ALAS1 gene encodes the mitochondrial enzyme which is catalyzes the rate-limiting step in heme (iron-protoporphyrin) biosynthesis. This enzyme is a housekeeping enzyme; a separate gene encodes a form of the enzyme that is specific for erythroid tissue. The level of the mature encoded protein is regulated by heme: high levels of heme down-regulate the mature enzyme in mitochondria while low heme levels up-regulate. A pseudogene of ALAS1 is located on chromosome 12. Multiple alternatively spliced variants, encoding the same protein, have been identified (provided by RefSeq, Dec 2011). |  |  |  |  |
|                                   | Mouse anti Human ALAS1 antibody, clone OTI1C5 detects a band of 70 kDa. The antibody has been extensively validated for western blotting using whole cell lysates.   |  |  |  |  |
| Western Blotting                  | Anti ALAS1 detects a band of approximately 70 kDa in Jurkat cell lysates.  |  |  |  |  |
| Storage                           | Store undiluted at -20°C, avoiding repeated freeze thaw cycles.  |  |  |  |  |
| Guarantee                         | 12 months from date of despatch.   |  |  |  |  |
