

## Datasheet: VMA00338KT

<b>Description:</b>	PHOSPHOSERINE AMINOTRANSFERASE ANTIBODY WITH CONTROL LYSATE
<b>Specificity:</b>	PHOSPHOSERINE AMINOTRANSFERASE
<b>Format:</b>	Purified
<b>Product Type:</b>	PrecisionAb Monoclonal
<b>Isotype:</b>	IgG1
<b>Quantity:</b>	2 Westerns

### Product Details

#### Applications

This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit [www.bio-rad-antibodies.com/protocols](http://www.bio-rad-antibodies.com/protocols).

	Yes	No	Not Determined	Suggested Dilution
Western Blotting	▪			1/1000

**PrecisionAb antibodies have been extensively [validated for the western blot application](#).** The antibody has been validated at the suggested dilution. Where this product has not been tested for use in a particular technique this does not necessarily exclude its use in such procedures. Further optimization may be required dependant on sample type.

#### Target Species

Human

#### Species Cross Reactivity

Reacts with: Mouse, Rat

**N.B.** Antibody reactivity and working conditions may vary between species. Cross reactivity is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information.

#### Product Form

Purified IgG - liquid

#### Preparation

20µl Mouse monoclonal antibody prepared by affinity chromatography on Protein G from tissue culture supernatant

#### Buffer Solution

Phosphate buffered saline

#### Preservative Stabilisers

0.09% Sodium Azide (NaN<sub>3</sub>)

<b>Immunogen</b>	Recombinant human phosphoserine aminotransferase
<b>External Database Links</b>	<p><b>UniProt:</b>  <a href="#">Q9Y617</a>   <a href="#">Related reagents</a></p> <p><b>Entrez Gene:</b>  <a href="#">29968</a>   PSAT1   <a href="#">Related reagents</a></p>
<b>Synonyms</b>	PSA
<b>Specificity</b>	<p><b>Mouse anti Human phosphoserine aminotransferase antibody</b> recognizes phosphoserine aminotransferase, also known as endometrial progesterone-induced protein and phosphohydroxythreonine aminotransferase.</p> <p>Encoded by the PSAT1 gene, phosphoserine aminotransferase is a member of the class-V pyridoxal-phosphate-dependent aminotransferase family. Decreased expression of this protein may be associated with schizophrenia. Mutations in PSAT1 are also associated with phosphoserine aminotransferase deficiency. Alternative splicing results in multiple transcript variants. Pseudogenes of PSAT1 have been defined on chromosomes 1, 3, and 8 (provided by RefSeq, Jul 2013).</p> <p>Mouse anti Human phosphoserine aminotransferase antibody detects a band of 41 kDa. The antibody has been extensively validated for western blotting using whole cell lysates.</p>
<b>Western Blotting</b>	Anti phosphoserine aminotransferase detects a band of approximately 41 kDa in A549 cell lysates
<b>Instructions For Use</b>	Please refer to the <a href="#">PrecisionAb western blotting protocol</a> . For additional information on secondary antibody dilution and exposure time see product web page.
<b>Lysate Composition</b>	400µg A549 lysate lyophilized in RIPA buffer.
<b>Lysate Reconstitution</b>	<p>- If using DDT reconstitute the lyophilized lysate with 190µl DI H<sub>2</sub>O, add 200µl 2x Laemmli Sample Buffer and 10µl 2M DTT.</p> <p>- If using BME reconstitute the lyophilized lysate with 180µl DI H<sub>2</sub>O, add 200µl 2x Laemmli Sample Buffer and 20µl BME.</p> <p>Heat at 95°C for 5 minutes. For 10 well mini gels load 25µl. For other gel and comb formats please refer to the PrecisionAb western blotting protocol.</p>
<b>Storage</b>	<p>Antibody: Store undiluted at -20°C, avoiding repeated freeze thaw cycles.</p> <p>Lysate: Store lyophilized lysate at -20°C. After reconstitution aliquot and store at -20°C for up to 3 months or at -80°C for longer term storage.</p>
<b>Guarantee</b>	As supplied, 12 months from date of despatch.
<b>Acknowledgements</b>	PrecisionAb™ is a trademark of Bio-Rad Laboratories.
