

Datasheet: VMA00351

Description:	MOUSE ANTI ESTROGEN SULFOTRANSFERASE
Specificity:	ESTROGEN SULFOTRANSFERASE
Format:	Purified
Product Type:	PrecisionAb Monoclonal
Isotype:	lgG2b
Quantity:	100 µl

Product Details

Applications	This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <u>www.bio-rad-antibodies.com/protocols</u> .

Target Species	Human							
Product Form	Purified IgG - liquid							
Preparation	Mouse monoclonal antibody prepared by affinity chromatography on Protein G from tissue culture supernatant							
Buffer Solution	Phosphate buffered saline							
Preservative Stabilisers	0.09% Sodium Azide (NaN ₃)							
Immunogen	Recombinant human estrogen sulfotransferase							
External Database Links	UniProt : <u>P49888</u> <u>Re</u>	lated reagents						

Entrez Gene:

6783 SULT1E1 Related reagents

Synonyms	STE			
Specificity	Mouse anti estrogen sulfotransferase antibody detects estrogen sulfotransferase, als known as sulfotransferase 1E1, EST-1 and sulfotransferase, estrogen-preferring. Encode by the SULT1E1 gene, the estrogen sulfotransferase enzyme is a member of a family the catalizes sulfate conjugation of many hormones, neurotransmitters, drugs, and xenobioti compounds. This enzyme transfers a sulfo moiety to and from estrone, which may contro levels of estrogen receptors.			
	Mouse anti human estrogen sulfotransferase antibody has been extensively validated for western blotting using whole cell lysates and detects a band of 35 kDa.			
Western Blotting	Anti estrogen sulfotransferase detects a band of approximately 35 kDa in HEK293 cell lysates			
Storage	Store undiluted at -20°C, avoiding repeated freeze thaw cycles.			
Guarantee	12 months from date of despatch			
Acknowledgements	PrecisionAb is a trademark of Bio-Rad Laboratories.			
Health And Safety Information	Material Safety Datasheet documentation #10040 available at: Antibody (10040): <u>https://www.bio-rad-antibodies.com/uploads/MSDS/10040.pdf</u>			
Regulatory	For research purposes only
