

## Datasheet: VPA00842 BATCH NUMBER 170824

| Description:  | RABBIT ANTI PROTEIN KINASE D2 |
|---------------|-------------------------------|
| Specificity:  | PROTEIN KINASE D2             |
| Format:       | Purified                      |
| Product Type: | PrecisionAb Polyclonal        |
| Isotype:      | Polyclonal IgG                |
| Quantity:     | 100 µl                        |

## **Product Details**

| Applications                | This product has been reported to work in the following applications. This information is derived from testing within our laboratories, peer-reviewed publications or personal communications from the originators. Please refer to references indicated for further information. For general protocol recommendations, please visit <u>www.bio-rad-antibodies.com/protocols</u> . |   |  |   |                                |  |  |  |
|-----------------------------|--|---|--|---|--------------------------------|--|--|--|

| Specificity                      | Rabbit anti Human protein kinase D2 antibody recognizes the serine/threonine protein kinase D2.  |  |  |  |  |  |
|                                  | The protein encoded by PRKD2 belongs to the protein kinase D (PKD) family of serine/threonine protein kinases. This kinase can be activated by phorbol esters as well as by gastrin via the cholecystokinin B receptor (CCKBR) in gastric cancer cells. It can bind to diacylglycerol (DAG) in the trans-Golgi network (TGN) and may regulate basolateral membrane protein exit from TGN. Alternative splicing results in multiple transcript variants encoding different isoforms (provided by RefSeq, Jul 2008).<br>Rabbit anti Human protein kinase D2 antibody detects a band of 105 kDa. The antibody has been extensively validated for western blotting using whole cell lysates. |  |  |  |  |  |
| Western Blotting                 | Anti protein kinase D2 antibody recognizes a band of approximately 105 kDa in HeLa cell lysates  |  |  |  |  |  |
| Storage                          | Store undiluted at -20°C, avoiding repeated freeze thaw cycles   |  |  |  |  |  |
| Guarantee                        | 12 months from date of despatch  |  |  |  |  |  |
